

HOPE HAS A NAME

Questions for Application

1. In the message, Brian said that we use the phrase “The best that we can hope for . . .” as a line the conveys **SETTLING FOR WHAT IS NOT BEST**. Why is that?
2. When the Israelites started experiencing hardship, they grumbled for the good old days in Egypt. Why do you think when we face hardship, we grumble and want to “go back”?
3. Have you ever experience a time when grumbling caused you to miss out on an amazing opportunity? Explain.
4. Many Americans think the best that they can hope for is to save enough money to retire and not work for 15 years. Is that hope big enough for the human soul? What should we hope for instead?
